

THE RANGE OF GLOBAL HERBAL REMEDIES WE CARRY

AFRICAN POTATO CAPSULES

(HYPOXIS ROOPERI)

30 capsule containers. Dosage: 1 - 2 capsules daily

CHARACTERISTICS:

Rich in vitamins, plant sterols en sterolines

Build up the immune system of the lungs in tuberculosis and lung-cancer patients

Tuberculosis patients react more positively to medical treatment

Relieves the side effects of chemotherapy

Relieves virus infections and yuppie flu

Provides symptomatic relief for arthritis (inflammation of joints)

Aids in the healing action in treatment of osteoporosis (degeneration of the bone structure) and osteoarthritis

Relieves porphyria, bladder and kidney infections and psoriasis (coarse, scaly skin inflammation)

Useful when treating prostate cancer.

COMPOSITION: Concentrate of African potato sterols and sterolins with added natural herbs.

ALPHA LIPOIC ACID

NAPPI CODE: 702918003

30 or 60 capsule containers. Dosage: 1 - 2 capsules daily.

CHARACTERISTICS:

A powerful universal very strong anti-oxidant. Improves the working of other anti-oxidants.

Alpha Lipoic Acid has been used successfully for the maintenance of liver health and as a treatment for several toxin-related illnesses.

No serious side effects - improves the overall health

Helps stabilise blood sugar and prevent diabetic retinopathy and cardiopathy. Beneficial for the diabetic person.

Removes toxins and free radicals.

Improves absorption of Vitamin E and C.

Concentrated in cells, tissue and external cellular fluid.

Improves normal gene formation.

Improves immune cell counts in the body therefore helps for viral (HIV) infections

Eliminates side effects of irradiation to the body.

Glycoside inhibitor.

Improves neurological functions.

Protects brain tissue.

Restricts cardiovascular illnesses.

COMPOSITION: Alpha Lipoic Acid 80mg

AMINO ACID PLUS NAD

60 capsule containers. Dosage: 2 capsules daily

CHARACTERISTICS:

Increase brain function/chemistry – concentration, short term memory loss, sleeplessness

Increase energy levels

Helps with symptoms of depression

Helps with stress

Epilepsy

Chronic fatigue

Helps with headaches

COMPOSITION: L-Leucine, L-Phenylalanine, L- Methionine, L-Lysine HCl, L-Isoleucine, L-Valine,

L-Histidine, L-Threonine, L-Tryptophan, L-Alanine, Amino Acetic Acid, L-Arginine, L-Proline, L-Tyrosine, Nicotinamide adenine dinucleotide (NAD), Zinc Amino Acid Chelate

BLADDER & KIDNEY CAPSULES

60 capsule containers. Dosage: 2 capsules daily

CHARACTERISTICS:

Bladder and kidney infections

Weak bladder, calculus

Burning urine, cystitis

COMPOSITION: Goldenseal, Althea officinalis, singiber officinale, equisetum arvense (horsetail), Atropa belladonna, agathasma betulina, vaccinium malrocar, soludago virgailireg, arctost aphylos (bearberry), uva-ursi.

CAYENNE PEPPER

CHARACTERISTICS:

Helps with Osteoarthritis

Helps with headaches

Helps with indigestion and heartburn

COMPOSITION: Cayenne pepper

CINNAMON

60 capsule containers. Dosage: 1 - 2 capsules twice daily

CHARACTERISTICS:

Diabetes

Colic (infants that cry inconsolably)

Indigestion and heartburn

Heavy menstruation

Poor appetite

Yeast infections

CIRCULATION AND VEIN

60 capsule containers. Dosage: 1 - 2 capsules twice daily

CHARACTERISTICS:

Promotes blood circulation

Helps for chilblains

COMPOSITION: Calendula officinalis (marigold), cedrus atlantica (Cedar), centella asiatica, zingiber officinale (ginger), circuma longa, allium sativum (garlic), arcticum lappa, crataegus spp (hawthorn), piper nigumm.

COLOSTRUM

NAPPI CODE: 703708001

60 capsule containers. Dosage: 1 - 5 capsules twice daily

CHARACTERISTICS:

Counteracts rheumatoid arthritis.

Contains anti-bodies against polio.

Counteracts bacteria and toxins in blood and lymphatic system.

Transports iron to red blood cells.

Regulates the thymus gland.

Calms hyperactive immune systems.
Slows some of the signs of ageing.
Contains a protein that inhibits viruses.
Contains three enzymes that oxidize bacteria.
Promotes cell growth.
Contains sulphur the building block of protein.

COMPOSITION: Globulin, proteins, lactoferrin, growth factors (IgF-1 and IgF-2), (EgF)(TgF-A and TgF-B) and (PDGF) growth hormone, leukocytes, enzymes, cytokines, lymphocines, vitamins and sulphur.

CORAL CALCIUM

60 capsule containers. Dosage: 1 to 2 capsules daily

CHARACTERISTICS:

Calcium and magnesium for the bone structure.

COMPOSITION: Vitamin A (Beta Carotene), Vitamin C (Ascorbic Acid), Vitamin D, Vitamin E, Vitamin B1 (Thiamine), Vitamin B2 (Riboflavin), Vitamin B3 (niacin), Vitamin B6 (pyridoxine), Folic Acid, Vitamin B12, Vitamin B5, Calcium, Iodine, Magnesium, Zinc, Selenium, Copper, Manganese, Chromium, Coral Calcium, Cesium, Strontium, Boron, Stearate, Microcrystalline Cellulose, Silicon Dioxide, Titanium Dioxide and Water.

EXTREME LIBIDO / PRO-GRESS

NAPPI CODE: 703701001

30 capsule containers. Dosage: 1 capsule daily.

CHARACTERISTICS:

Natural extract.

Natural carminative (relieves bloating, gastric discomfort and colic).

In combination with zinc, magnesium and vitamins it improves the sexual desire.

Stimulates the introduction of normal male and female sexual desires, due to hormone introduction.

May lead to better and longer lasting erections in males.

Helps to balance hormone levels

Non-toxic; few side effects.

May be used for extended periods.

Ladies have to reduce intake, should the breasts harden.

Boosts female energy levels.

COMPOSITION: Anethole, Calcium, Magnesium, Zinc and a full Vitamin complement.

FULVIC ACID

60 capsule containers. Dosage: 2 capsule daily.

CHARACTERISTICS:

Heart and arteries / clotting / circulation / haemorrhoids / high blood pressure

Arthritis / Gout

Cancer

Burns / skin / psoriasis / dermatitis

Chronic fatigue

Indigestion / diverticulitis / diarrhoea / gastritis / heartburn / ulcers / gall stones

Diabetes

Migraines / Multiple sclerosis / nervous system / muscle cramps

Toxic build-up

Parasites and yeast infections

Absorption of vitamins, minerals and oxygen / improves enzyme development

GARLIC & PARSLEY

30 capsule containers. Dosage: 2 - 3 capsules daily

CHARACTERISTICS:

Lowers blood pressure, cholesterol and sugar

Relieves PMS.

COMPOSITION: Garlic & Parsley

GLUCOMANNANS

60 capsule containers. Dosage: 2 – 4 capsules daily.

CHARACTERISTICS:

Suppresses the appetite by swelling to 50 – 200 times their size.

Helps to alleviate Candida, colitis, constipation and diverticulitis.

Helps to lower blood sugar levels in Diabetes patients.

Glucomannans cause significant weight loss in persons afflicted with obesity! The human body does NOT absorb it - this is its main therapeutic benefit.

Lowers total serum and LDL Cholesterol levels.

COMPOSITION: Each capsule contains 750mg glucomannan

GLUCOSAMINE

NAPPI CODE: 702912003

60 capsule containers. Dosage: 1 - 3 capsules daily.

CHARACTERISTICS:

Natural building blocks for connective tissue and healthy joints.

Maintains musculoskeletal health. Inhibits enzymes such as collagenases.

Reduces inflammatory pain. Glucosamine is not only a “builder” but also a painkiller.

Aids strengthening of ligaments, sinew, heart valves, nails, skin, bone and cartilage.

Improves shock absorption and lubrication in joints. Stimulates secretion of synovial fluid.

Helps in treatment and control of primary and secondary degenerative osteoarthritis ailments.

COMPOSITION: Each capsule contains 250mg glucosamine sulphate

LUNG MED CAPSULES

60 capsule containers. Dosage: 1 - 2 capsules daily.

CHARACTERISTICS:

Relieves symptoms of Bronchitis

Cleans the lungs

Helps to repair damaged lungs

Helps with difficult breathing

Helps with Tuberculosis

Helps with symptoms of Emphysema

COMPOSITION: Astragalus membranaceus, Honey, Zingiber officinalis, Tussilago farfara, Chamilla sinensis, Marrubium vulgare, Vinca major, Gommiphora miltmol, Equisetum arvense, Thymus vulgaris.

MCCZ

60 capsule containers. Dosage: 1 - 3 capsules daily

CHARACTERISTICS:

Restores growth of hair and nails.

Relieves Osteoporosis.

Prevents decalcification in the body.

Improves development of teeth and bones.

Relieves cramps and pains in joints.

Reduces excessive perspiration, fears and anxiety.

COMPOSITION: Magnesium Amino Acid Chelate 100mg, Calcium Amino Acid Chelate 250mg, Vitamin C and Zinc Amino Acid Chelate 20mg

MILK THISTLE

60 capsule container. Dosage: 2 capsules daily. Also available in drops

CHARACTERISTICS:

Liver in general

Gall Stones

Alcohol-related

MSM FORTE

NAPPI CODE: 702907002

60 capsule container. Dosage: 2 capsules daily

CHARACTERISTICS:

Aids with collagen syntheses.

Aids with the maintenance of skin, hair and nails.

Regulates carbohydrate metabolism.

Acts as an anti-clotting agent in liver and tissue.

Aids with strengthening of the nervous system.

Plays a role in tissue reparation.

Aids with secretion of gall in the liver.

Relieves gout and arthritis where alcohol plays a role.

Treatment of psoriasis, eczema and dermatitis.

Aids in removal of ringworm and parasites. Helps to maintain a balance between acidity and alkalinity. The digestive tract is provided with a coating by taking MSM that parasites find difficult to get a grip on they thus fall out ready to be flushed away.

Relieves yuppie flu, Alzheimer's, candida and migraine.

Contributes to healthy joints and helps to prevent diseases like cancer, flu, common cold, and some bacterial infections.

Many glucosamine users experience increased benefits when adding MSM to their supplement to alleviate pain and inflammation, in the whole body.

It is part of the amino acid chain; its main function is to help physical growth.

It is a free radical scavenger and the primary benefit cited in all the literature is relief from allergies.

COMPOSITION: Organic bound source of sulphur, Methyl Sulphonyl Methane

PANCREAS CAPSULES

60 capsule containers. Dosage: 1 - 2 capsules daily

CHARACTERISTICS:

Provides relief for pancreatic infection

Regulates glucose levels

Restores pancreatic functions

COMPOSITION: Aswaganda, vaccinium myrtillus (cranberries), Urtica dioica (stinging nettle), achillea millefolium (yarrow), Echinacea purpurea, Trigonella foenumgraecum (Greek Clover), calendula officinalis (Marigold), Zingiber officinale (ginger), Acorus calamus (Sweet Flag),

Spirulina, Cedrus atlantica (cedar)

PRO-HAIR PRO-NAIL

60 capsule containers. Dosage: 1 - 3 capsules daily

CHARACTERISTICS:

Restores growth of hair and nails.

Relieves Osteoporosis.

Prevents decalcification in the body.

Improves development of teeth and bones.

Relieves cramps and pains in joints.

Reduces excessive perspiration, fears and anxiety.

COMPOSITION: Magnesium Amino Acid Chelate 100mg, Calcium Amino Acid Chelate 250mg, Vitamin C and Zinc Amino Acid Chelate 20mg

PRO VIT GINKGO (capsules)

60 capsule container. Dosage: 2 capsules daily

CHARACTERISTICS:

Brain function in general

Depression / feeling of loss of control

Erectile dysfunction / Libido

Schizophrenia

Vertigo (sensation of dizziness) and Tinnitus (ringing in the ears)

Vitiligo (skin)

Lungs / Asthma

Diabetes

Migraines and headaches

Circulation

Eyes

COMPOSITION: Ginkgo Biloba and Vitamins

PRO VIT LECITHIN CAPSULES

60 capsule container. Dosage: 2 capsules daily. Also available in granules

Individuals with high cholesterol may use 3 capsules daily. Pro Vit Lecithin may be taken neat, but increase your water consumption to 8 – 10 glasses per day. Granules May be dissolved in lukewarm milk and used as a tasty drink. Pro Vit Lecithin is recognized by the “Academy of Training”.

CHARACTERISTICS:

Improves blood flow to the brain

Aids in the development of new cells.

Conditions metabolic functions in the body.

Normalizes cholesterol levels.

Protects the liver and increases liver functions.

Improves memory and increases concentration.

Prevents ageing and keeps body young.

Breaks down excess oils and aids with secretion of gall.

Reduces toxins present in the body due to pollution. (Toxicity in the body may occur due to inhalation, foods, liquids, and diffusion through the skin).

Protects against viral infections, prevents stress and anxiety.

Improves natural sleep.

COMPOSITION: Vitamin A, Vitamin D3, Vitamin E, Vitamin B1, Vitamin B2, Vitamin B6, Vitamin B12, Nicotinamide, Pantothenic Acid, Vitamin C, Folic Acid

SINUS & RHINITIS CAPSULES

60 capsule containers. Dosage: 2 capsules daily.

CHARACTERISTICS:

Provides relief for sinusitis, hay fever, blocked nose.

Enhances nasal breathing

Reduces build up of catarrh and mucous in the sinus

COMPOSITION: Pimpinella anisum, organum basilicum, berberis vulgaris, urtica dioica, Echinacea angustifolia, trigonella foenum, laurua nobilis, zingiber officinalis, solidago vigaurea, calendula officinalis, althea officinalis, trifolium pratense, thymus vulgaris

SUPER FLEX CAPSULES

60 capsule containers. Dosage: 2 capsules daily.

CHARACTERISTICS:

Improves joint mobility of hands, feet, hips, back, knees, joints, ankles, elbows, wrists and shoulders.

Assists the body in production of joint lubrication.

Enhances repair / rebuilding of cartilage / Accelerates the healing process of sports injuries.

COMPOSITION: Glucosamine, MSM, Hypoxis Rooperi (African Potato), Chondroitin, Zn O, Propyl Parabeu, Methyl Paraben, Alpha Linolenic Acid, Linoleic Acid, Oleic Acid, Lignan fibre, Lignan, Thiamin (B1), Riboflavin (B2), Niacin, Pyridoxine (B6), Pantothenic acid (B5), Calcium, Phosphate, Sodium, Potassium, Iron, Magnesium, Zinc, Copper, Manganese, Boron, Chromium, Vitamin E, Vitamin A, Alamine, Arginine, Aspartic Acid, Cystine, glutamic acid, Glycine, Histidine, Isoleucine, Lysine, Methionine, Phenylalanine, Proline, Serine, Threonine, Tryptophan, Tyrosine, Valine, Omega 3 6 9, Flaxseed oil

SUTHERLANDIA

60 capsule containers. Dosage: 1 - 2 capsules daily

CHARACTERISTICS:

Relieves feeling of anxiety

Relieves symptoms of depression

Helps with eczema

Helps with tuberculosis

Boosts the immune system

COMPOSITION: Sutherlandia

WONDER BEAN CAPSULES

30 capsule containers. Dosage: 1 - 2 capsules daily

CHARACTERISTICS:

Lowers high blood pressure (hypotension).

Relieves diabetes conditions.

Relieves problems with indigestion and constipation.

Aids spastic colon.

Lowers cholesterol levels in the blood stream.

Aids in weight loss by improved metabolic rate resulting in increased energy levels.

Thyroid

COMPOSITION: Genetic cross between special strains of beans, also known as Portuguese beans, with added herbs. Contains high levels of Magnesium, Manganese, Zinc, Copper and Iron. People suffering from low blood pressure should not use Wonder Bean capsules.

X-CHOLESTEROL CAPSULES

60 capsule containers. Dosage: 1 - 2 capsules daily

CHARACTERISTICS:

Lowers LDL, bad cholesterol.

Increases HDL, good cholesterol.

Assists with arteriosclerosis

COMPOSITION: Turmeric, Psyllium seeds, gal-gal, artichoke, allyl propyl, diallyl disulphide, tissue salts, Amia extract

X – FATIGUE

60 capsule container. Dosage: 1 - 2 capsules daily

CHARACTERISTICS:

Provides daily multi vitamins. This is a good natural vitamin combination.

Restores the energy levels to the body.

Increase body metabolism and resistance to virus infections.

Reduces homocysteine levels (H factor)

COMPOSITION: 100% RDA for VIT A, C, D3, E, B1, B2, B6, B12, B3(Nicotinamide), B5 (Pantothenic Acid), B9 (Folic Acid), Magnesium, Calcium, Iron, Manganese, Copper, Zinc

X-FLAM

60 capsule container. Dosage: 1 - 2 capsules daily

CHARACTERISTICS:

General anti-inflammatory for all inflammatory conditions.

COMPOSITION: Alchemilla vulgarnis, harpachophytium procum, calendula officinalis (marigold), hyssopus officinalis, Olea europaea (Olive), Glycyrrhiza, rosmarinus officinalis (rosemary).

X-FLU CAPSULES

NAPPI CODE: 703705001

60 capsule container. Dosage: 1 – 2 capsules, 2 times per day

CHARACTERISTICS:

Prevent flu and colds

Contains highly active anti-oxidants to remove toxic substances from the body.

Contains sterol and sterolins and natural anti-inflammatory ingredients that help strengthen the immune system.

Contains natural anti-virus ingredients to relieve yuppy flu

Contains all vitamins at 100% RDA levels to repair normal body functions and stabilizes blood-sugar

Relieve symptoms of stress

COMPOSITION: Allyl propyl disulphide, diallyl-dysulphide, vitamins (100% of the RDA), rooperol, echinacea-risome, and lipoic acid.

X-GOUTTIES

NAPPI CODE: 700132001

60 capsule containers. Dosage: 2 capsules daily.

CHARACTERISTICS:

Neutralises uric acids (crystalline nitrate combination).

Dissolves gout and arthritis crystals in the joints.

Aids in the recovery and rebuilding of damaged body tissue.

Relieves and prevents painful swelling that develops because of inflammation in the joints.

Cures and relieves osteoporosis and osteoarthritis (degeneration of bone system).

Relief for gout and other inflamed joints under treatment can be observed within 14 days.

Promotes a washing action in the joints . Damaged body tissue takes up to five years to settle because of the formation of crystals in the joints, and therefore, relief and recovery will also need a reasonably extensive period of treatment (three to six months).

COMPOSITION: Hypoxis rooperi, sterols and sterolins, healing herbs, hydrolysing agents and harpagocide.

X-IMMUNE DE

60 capsule container. Dosage: 1 - 2 capsules daily

CHARACTERISTICS:

Improves the body's immune functions.

Combats fatigue and is an excellent energy booster.

Helps lower stress.

Immediate detoxification of the system.

Aids with symptoms of asthma, lung disease, allergies and sinus.

Provides a better quality of life for HIV positive patients by improving their overall health.

COMPOSITION: Vitamin A, Vitamin D3, Vitamin E, Vitamin B1, Vitamin B2, Vitamin B6, Vitamin B12, Nicotinamide, Pantothenic Acid, Vitamin C, Folic Acid

X-MENOPAUSE

60 capsule containers. Dosage: 2 capsules daily

CHARACTERISTICS:

Aids symptoms of menopause and PMS.

Relieves depression.

Improves body strength.

Relieves hot flushes.

COMPOSITION: Black Cohosh, Dong quai, Tissue salts, St Johns wort

X-OBESE

60 capsule containers. Dosage: 3 capsules daily

CHARACTERISTICS:

Assists with weight loss

COMPOSITION: Phenylalanine, L-Carnitine-Fumarate, Alpha Lipoic Acid, Vanadium Sulphate, Chromium Piconate, Barbaloin, Vitamins & Minerals

X-SPASCOL

NAPPI CODE: 703707001

60 capsule containers. Dosage: 2 capsules daily

CHARACTERISTICS:

Relieves spastic colon.

Relieves kidney and bladder ailments and inflammation.

Relieves liver ailments.

Relieves inflammation and swollen joints.

COMPOSITION: Aglycon, anthaquinone, barbaloin, sterols and sterolines, glycoside, rooperol as hypoxide, as well as amino acids, tissue salts, and trace elements.

X-THRITIS CAPSULES

NAPPI CODE: 700129001

60 capsule containers. Dosage: 2 capsules daily.

CHARACTERISTICS:

Effective anti-dote against severe forms of arthritis such as rheumatoid and osteoarthritis.

All forms of acute arthritis.

Impurities in the body.

Pinched nerves in the joints.

Damaged cartilage and tissue.

COMPOSITION: Aglycon, anthaquinone, barbaloin, sterols and sterolines, glycoside, rooperol as hypoxide, as well as amino acids, tissue salts, trace elements and glucosamine hydrochloride.

X- URIC ACID

30 or 60 capsule containers. Dosage: 2 capsules daily.

CHARACTERISTICS:

Brakes down uric acids

COMPOSITION: Carica Papaya

AFRICAN POTATO DROPS

(HYPOXIS ROOPERI)

50ml bottle. Dosage: 20 drops 3 times per day. Not suitable for pregnant woman

CHARACTERISTICS:

Rich in vitamins, plant sterols en sterolines

Build up the immune system of the lungs in tuberculosis and lung-cancer patients

Tuberculosis patients react more positively to medical treatment

Relieves the side effects of chemotherapy

Relieves virus infections and yuppie flu

Provides symptomatic relief for arthritis (inflammation of joints)

Aids in the healing action in treatment of osteoporosis (degeneration of the bone system) and osteoarthritis

Relieves porphyria, bladder and kidney infections and psoriasis (coarse, scaly skin inflammation)

Useful when treating prostate cancer.

COMPOSITION: Concentrate of African potato sterols and sterolins with added natural herbs.

ASTHMA DROPS

50ml bottle. Dosage: 20 drops 3 times per day. Not suitable for pregnant woman

CHARACTERISTICS:

Asthmatic conditions, tight chest, blocked Nose and difficulty with breathing

COMPOSITION: Zingiber officinalis, chamilla sinensis, tussilago farfara, itumulus lupulus, acorus calamus, lobelia siphilitica, laurua nobilis, gommiphora molmol, syzygium aromaticum, thymus vulgaris

BLADDER & KIDNEY DROPS

50ml bottle. Dosage: 20 drops as needed. Not suitable for pregnant woman

CHARACTERISTICS:

Bladder and kidney infections

Weak bladder, calculus

Burning urine, cystitis

COMPOSITION: Goldenseal, *Althea officinalis*, *zingiber officinale*, *equisetum arvense* (horsetail), *Atropa belladonna*, *agathasma betulina*, *vaccinium malrocar*, *soludago virgailireg*, *arctost aphylos* (bearberry), *uva-ursi*.

CIRCULATION AND VEIN

50ml bottle. Dosage: 20 drops 3 times per day. Not suitable for pregnant woman

CHARACTERISTICS:

Promotes blood circulation

Helps for chilblains

COMPOSITION: *Calendula officinalis* (marigold), *cedrus atlantica* (Cedar), *centella asiatica*, *zingiber officinale* (ginger), *circuma longa*, *allium sativum* (garlic), *arcticum lappa*, *crataegus spp* (hawthorn), *piper nigumm*.

EAR DROPS

50ml bottle. Dosage: 1 – 2 drops daily.

CHARACTERISTICS:

Relieves pain in ear

Helps with ear infection

COMPOSITION: *Calendula officinalis*, *origanum majorana*

ECZEMA DROPS

50ml bottle. Dosage: 20 drops 3 times per day. Not suitable for pregnant woman

CHARACTERISTICS:

Relieves symptoms of Eczema

COMPOSITION:

Hypoxis haemorocallidea, *curcuma longa*, *urtica dioica*, *Echinacea angustifolia*, *calendula officinalis*, *arctium lappa*, *lavandula spp*, *juglans regia*, *trifolium pratense*, *comfrey officinalis*

EPILEPSY DROPS

50ml bottle. Dosage: 20 drops 3 times per day. 10 drops every 10 minutes during an epilepsy attack. Not suitable for pregnant woman

CHARACTERISTICS:

Relieves symptoms of Epilepsy

COMPOSITION: *Urtica dioica*, *zingiber officinalis*, *soutellaria laterifolia*, *acorus nobilis*, *gingko biloba*, *thymus vulgaris*

GALL STONES DROPS

50ml bottle. Dosage: 20 drops 3 times per day (before or after meals). Not suitable for pregnant women

CHARACTERISTICS:

Helps desolving gall stones

COMPOSITION: *Peumus bodlus Molina*, *berberris vulgaris*, *althea oficinalis*, *agrimonia eupatoria*

HEADACHE DROPS

50ml bottle. Dosage: 20 drops 3 times per day. Not suitable for pregnant women

CHARACTERISTICS:

Relieves headaches

COMPOSITION: Organum basilicum, Zingiber officinalis, Jasminum officinale, menthe spicata, valeriana officinalis

HEARTBURN DROPS

50ml bottle. Dosage: 20 drops 3 times per day. Not suitable for pregnant women

CHARACTERISTICS:

Relieves symptoms of heartburn

COMPOSITION: Vaccinium myrtillus, agathosma betulina, curcuma longa, urtica dioica, rumex crispus, zingiber officinalis, cyclopia genistoides, thymus citridonus, msm, filipendula almaria

HIGH BLOOD PRESSURE DROPS

50ml bottle. Dosage: 20 drops 3 times per day. Not suitable for pregnant women

CHARACTERISTICS:

Reduces Hypertension

Assists in normalizing blood pressure

COMPOSITION: Allivum sativum, grataegus-vehoed, achillea mielieform, Cimicifuga racemosa (black cohosh), valeriana officinalis, Humulus lupulus (hops), agathosma betulina, Olea europaea (Olive), mieliebaard, Achillea millefolium (yarrow), sassafras, viscum capense.

INCONTINENCE DROPS

50ml bottle. Dosage: 20 Drops 2 times per day. Not suitable for pregnant women

CHARACTERISTICS:

Helps for a weak bladder

Reduces the frequent need to urinate due to infections

COMPOSITION: Agrimonia eupatoria, achillea millefolium, hypericum perforatum, serenoa repens, rubus ideaus

INFLAMMATION DROPS

50ml bottle. Dosage: 20 Drops 3 times per day. Not suitable for pregnant women

CHARACTERISTICS:

General anti-inflammatory for all inflammatory conditions.

COMPOSITION: Alchemilla vulgata, harpachophytium procum, calendula officinalis (marigold), hyssopus officinalis, Olea europaea (Olive), Glycyrrhiza, rosmarinus officinalis (rosemary).

LOW BLOOD PRESSURE

50ml bottle. Dosage: 20 drops 3 times per day, 10 minutes after meals. Not suitable for pregnant women

CHARACTERISTICS:

Low blood pressure

Assists in normalizing blood pressure

COMPOSITION: Astragalus membranaceus, organum basilicum, crataegus monogyna, allium sativum, taraxacum officinale, syzygium aromaticum (cloves).

LUNG DROPS

50 ml bottle. Dosage: 20 drops 3 times per day. Not suitable for pregnant women

CHARACTERISTICS:

Relieves symptoms of Bronchitis

Cleans the lungs

Helps to repair damaged lungs

Helps with difficult breathing

Helps with Tuberculosis

Helps with symptoms of Emphysema

COMPOSITION: Astragalus membranaceus, Honey, Zingiber officinalis, Tussilago farfara, Chamilla sinensis, Marrubium vulgare, Vinca major, Gommiphora milmol, Equisetum arvense, Thymus vulgaris.

LIVER DROPS

50 ml bottle. Dosage: 20 drops 3 times per day. Not suitable for pregnant women

CHARACTERISTICS:

Helps with problems of the liver

MILK THISTLE

50ml bottle. Dosage: 20 Drops 3 times per day. Not suitable for pregnant women

CHARACTERISTICS:

Liver in general

Gall Stones

Alcohol-related

OEDEMA DROPS

50ml bottle. Dosage: 20 Drops 4 times per day. Not suitable for pregnant women

CHARACTERISTICS:

Increase lymph drainage

COMPOSITION: Agathosma betulina, curcuma longa, Echinacea, angustifolia, rumex crispus, zingiber officinalis, calendula officinalis, jasminum officinalis, arctium sativum, lobelia siphilitica, laurua nobilis, euphrasia officinalis, petroselinum orispum

PAIN STOP PLUS DROPS

50ml bottle. Dosage: 20 – 25 drops as needed. Dosage can be repeated after 30 mins. Not suitable for pregnant women.

CHARACTERISTICS:

Provides relief for chronic pain

COMPOSITION: Lavandula angustifolia (Lavender), Echinacea angustifolia, gindela squarrosa, humulus lupulus (hops), mentha piperita (peppermint), goldenseal.

PANCREAS DROPS

50ml bottle. Dosage: 20 Drops 3 times per day. Not suitable for pregnant women.

CHARACTERISTICS:

Provides relief for pancreatic infection

Regulates glucose levels

Restores pancreatic functions

COMPOSITION: Aswaganda, vaccinium myrtillus (cranberries), Urtica dioica (stinging nettle),

achillea millefolium (yarrow), Echinacea purpurea, Trigonella foenumgraecum (Greek Clover), calendula officinalis (Marigold), Zingiber officinale (ginger), Acorus calamus (Sweet Flag), Spirulina, Cedrus atlantica (cedar)

PMS AND MENSTRUATION

50ml bottle. Dosage: 20 Drops 3 times per day. Not suitable for pregnant women.

CHARACTERISTICS:

Provides relief for painful menstruation and PMS

Regulates menstruation

COMPOSITION: Medicago sativa (alfalfa), dong qi, Rubus idaeus (wild raspberry), Viburnum opulus (Cranberry), black cohosh, cinielis benedictus, silybum marianum (milk thistle), Mentha piperita (peppermint), valeriana officinalis (valerian), Zingiber officinale (ginger), vitex agnus castus

PROGESTERONE DROPS

50ml bottles. Dosage: 20 drops three times per day. Not suitable for pregnant women.

CHARACTERISTICS:

Provides an natural alternative to Hormone Replacement Therapy

Regulates hormone imbalance

COMPOSITION: Medicago sativa (alfalfa), angelica sinensis, lecithin, gallium aperine, trifolium pratense (purple clover), valeriana officinalis (valerian)

PROSTATE DROPS

50ml bottles. Dosage: 20 drops three times per day, before or after meals.

CHARACTERISTICS:

Provides relief for enlarged prostate problems

Assists in regulating urination in men.

COMPOSITION: Eleutherococcus senticosus, artcastaphylos uva ursi, agasthosma betulina, withania somnifera, Equisetum arvense (horsetail), screnoa repens, hypoxis.

SINUS & RHINITIS DROPS

50ml bottles. Dosage: 20 drops 3 times per day. Not suitable for pregnant women

CHARACTERISTICS:

Provides relief for sinusitis, hay fever, blocked nose.

Enhances nasal breathing

Reduces build up of catarrh and mucous in the sinus

COMPOSITION: Pimpinella anisum, organum basilicum, berberis vulgaris, urtica dioica, Echinacea angustifolia, trigonella foenum, laurua nobilis, zingiber officinalis, solidago vigaurea, calendula officinalis, althea officinalis, trifolium pratense, thymus vulgaris

SLEEP DISORDER DROPS

50ml bottles. Dosage: 20 drops 30 minutes before bedtime. Not suitable for pregnant women.

CHARACTERISTICS:

Improve natural sleep

Reduces insomnia in cases of difficulty in sleeping

COMPOSITION: Astragalus membenaceus, humulus lupulus (hops), valerian officinalis, chamilla sinensis, Primula veris (cowslip), lobelia, muggiekruid, papver somniferum

STOP SMOKING DROPS

50ml bottle. Dosage: Take 10 drops every 1 - 2 hours, for the first week, and then 3 to 4 times per day. Not suitable for pregnant women.

CHARACTERISTICS:

Minimises tobacco craving and withdrawal symptoms

Natural product to aid in stop smoking.

COMPOSITION: Valeriana officinalis, daucus carota (wild carrot), lobelia siphilitica, Scutellaria lateriflora (blue skullcap).

STRESS DROPS

50ml bottle. Dosage: 20 drops 3 time per day. Not suitable for pregnant women.

CHARACTERISTICS:

Calms and strengthens the nervous system during stressful times

Increases stamina and energy without adrenal overload.

COMPOSITION: Echinacea angustifolia, calendula officinalis, Matricaria recutita (German chamomile), Lavandula angustifolia, berbascum thaspus, rosmarinus officinalis (rosemary), hypericum perforatum.

STAMINA DROPS

50ml bottle. Dosage: 20 drops 3 time per day.

CHARACTERISTICS:

Gives more Stamina and energy

THYROID DROPS

50ml bottle. Dosage: 20 drops 3 times per day, 10 minutes after meals. Not suitable for pregnant women.

CHARACTERISTICS:

Assists in regulating the thyroid function in cases of irregularity

COMPOSITION: Avena sativa (cereal oats), verbascum thaspus, gallium aperine.

VARICOSE VEIN DROPS

100ml containers. Dosage: Massage well onto affected areas.

CHARACTERISTICS:

Relieves the symptoms of poor blood circulation in cases of varicose veins

COMPOSITION: Sansevieria hyacintho, achillea millefolium, zingiber officinalis, calendula officinalis, chamilla sinensis, hammamelis virginiana

WEIGHT LOSS DROPS

50ml bottle. Dosage: 20 drops 3 times per day. This product is not suitable for pregnant women.

CHARACTERISTICS:
